

Presidential Power

Laura Smith

This table shows all of the vetoes that Presidents of the United States have employed:

<https://www.senate.gov/legislative/vetoes/vetoCounts.htm>

Find the president with the most vetoes and consider why.	
Find the president with the least and offer an explanation as to why.	
Does any particular president surprise you? Why?	
What does this data suggest about changes in partisanship?	
What does it suggest about the relationship between the legislative and the executive in relation to power and checks and balances?
